X-RAY CERTIFICATE SERIES	Principles of Servicing Diagnostic X-Ray Systems (Phase 1)																																	Oct 5-9	Principles of Servicing Diagnostic X-Ray Systems (Phase 1) - eLearning																																	Oct 5-16	Advanced Radiographic Systems Maintenance (Phase 2)																																	Nov 9-20	Advanced Digital Imaging Systems Maintenance (Phase 3)																																	Nov 30-Dec 11	Advanced Diagnostic Imaging Systems Analysis (Phase 4)																																	Nov 2-13	PACS Engineer/Administrator Certification (Phase 1)																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 1) - eLearning																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 2)																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 2) - eLearning																																	Nov 30-Dec 11	PACS Troubleshooting (3 days)																																	Nov 30-Dec 11	PACS Troubleshooting (3 days) - eLearning																																	Nov 30-Dec 11	C.A.M. (Capital Asset Management)																																	Nov 30-Dec 11	C.A.M. (Capital Asset Management) - eLearning																																	Nov 30-Dec 11	Intro to Diagnostic Imaging & PACS For Managers & Sales Professionals																																	Nov 30-Dec 11	Intro to Diagnostic Imaging & PACS For Managers & Sales Professionals - eLearning																																	Nov 30-Dec 11																																		
NETWORKING & DIGITAL INFO	PACS Engineer/Administrator Certification (Phase 1)																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 1) - eLearning																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 2)																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 2) - eLearning																																	Nov 30-Dec 11	PACS Troubleshooting (3 days)																																	Nov 30-Dec 11	PACS Troubleshooting (3 days) - eLearning																																	Nov 30-Dec 11	C.A.M. (Capital Asset Management)																																	Nov 30-Dec 11	C.A.M. (Capital Asset Management) - eLearning																																	Nov 30-Dec 11	Intro to Diagnostic Imaging & PACS For Managers & Sales Professionals																																	Nov 30-Dec 11	Intro to Diagnostic Imaging & PACS For Managers & Sales Professionals - eLearning																																	Nov 30-Dec 11																																																																																																																																																																																																												
MANAGEMENT	PACS Engineer/Administrator Certification (Phase 1)																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 1) - eLearning																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 2)																																	Nov 30-Dec 11	PACS Engineer/Administrator Certification (Phase 2) - eLearning																																	Nov 30-Dec 11	PACS Troubleshooting (3 days)																																	Nov 30-Dec 11	PACS Troubleshooting (3 days) - eLearning																																	Nov 30-Dec 11	C.A.M. (Capital Asset Management)																																	Nov 30-Dec 11	C.A.M. (Capital Asset Management) - eLearning																																	Nov 30-Dec 11	Intro to Diagnostic Imaging & PACS For Managers & Sales Professionals																																	Nov 30-Dec 11	Intro to Diagnostic Imaging & PACS For Managers & Sales Professionals - eLearning																																	Nov 30-Dec 11																																																																																																																																																																																																												
PRODUCT SPECIFIC	GE Definium Family: Definium 6000/8000, Discovery XR650/XR656, Optima XR640/XR646																																	Nov 2-4	GE Precision 500D R/F																																	Oct 12-16	Shimadzu Sonolvision G4 Basic and Advanced																																	Nov 9-20	GE Proteus (JEDI) Generator																																	Oct 12-16	Philips Easy Diagnost Eleva																																	Nov 9-20	Philips Digital & Bucky Diagnost																																	Nov 9-20	Siemens Ysio																																	Nov 9-20	Siemens AXIOM Luminos TF																																	Nov 9-20	Siemens Luminos Agile																																	Nov 9-20	Shimadzu RADspeed/RADspeed Pro																																	Nov 9-20	Shimadzu RADspeed Pro Edge																																	Nov 9-20	Private Practice X-Ray Systems (CPI CMP200 &)																																	Nov 9-20																																																																																																																																								
PORTABLES	GE AMX Portable (IV, IV+)																																	Oct 5-9	GE Optima XR200/XR220/XR240, & Brivo XR285 Digital Portables																																	Nov 30-Dec 4	Shimadzu MobileDaRT Evolution Portables (Evolution EFX, MX7)																																	Nov 30-Dec 4	Shimadzu Portables - MX8 (CLOSED)																																	Nov 30-Dec 4	Canon RadPro Digital																																	Nov 30-Dec 4	Philips MobileDiagnost Digital																																	Nov 30-Dec 4	Fuji FDR Go & Go Plus																																	Nov 30-Dec 4	Multi-Product C-Arm OEC 9800/9900																																	Oct 12-23	OEC 9900 C-Arm																																	Oct 12-23	OEC Elite (CFD) Flat Panel C-Arm																																	Oct 12-23	Philips Veradius C-Arm																																	Oct 12-23	Philips BV Pulsera C-Arm																																	Oct 12-23																																																																																																																																								
C-ARMS	GE Innova/GS/Optima Family (21/31/4100, 3XX/5XX/6XX)																																	Oct 5-16	Shimadzu Trinitas (Basic)																																	Oct 12-23	Shimadzu Trinitas (Advanced)																																	Oct 12-23	Philips Allura FD Family (FD10/FD20)																																	Nov 30-Dec 11	Lorad Multicare Platinum Breast Biopsy System																																	Nov 30-Dec 11	GE Digital Mammography (1-week ESSENTIAL only)																																	Nov 30-Dec 11	Hologic Selenia Digital Mammography																																	Nov 30-Dec 11	Hologic Dimensions 3D Tomo Digital Mammography																																	Nov 30-Dec 11	Hologic MG Products: Affirm, SecurView, R2, ATEC Sapphire																																	Nov 30-Dec 11	Siemens Inspiration or Novation																																	Nov 30-Dec 11	Multi-Vendor Bone Densitometry																																	Nov 30-Dec 11																																																																																																																																																																										
CARDIAC	GE Innova/GS/Optima Family (21/31/4100, 3XX/5XX/6XX)																																	Oct 5-16	Shimadzu Trinitas (Basic)																																	Oct 12-23	Shimadzu Trinitas (Advanced)																																	Oct 12-23	Philips Allura FD Family (FD10/FD20)																																	Nov 30-Dec 11	Lorad Multicare Platinum Breast Biopsy System																																	Nov 30-Dec 11	GE Digital Mammography (1-week ESSENTIAL only)																																	Nov 30-Dec 11	Hologic Selenia Digital Mammography																																	Nov 30-Dec 11	Hologic Dimensions 3D Tomo Digital Mammography																																	Nov 30-Dec 11	Hologic MG Products: Affirm, SecurView, R2, ATEC Sapphire																																	Nov 30-Dec 11	Siemens Inspiration or Novation																																	Nov 30-Dec 11	Multi-Vendor Bone Densitometry																																	Nov 30-Dec 11																																																																																																																																																																										
WOMEN'S HEALTH	GE Innova/GS/Optima Family (21/31/4100, 3XX/5XX/6XX)																																	Oct 5-16	Shimadzu Trinitas (Basic)																																	Oct 12-23	Shimadzu Trinitas (Advanced)																																	Oct 12-23	Philips Allura FD Family (FD10/FD20)																																	Nov 30-Dec 11	Lorad Multicare Platinum Breast Biopsy System																																	Nov 30-Dec 11	GE Digital Mammography (1-week ESSENTIAL only)																																	Nov 30-Dec 11	Hologic Selenia Digital Mammography																																	Nov 30-Dec 11	Hologic Dimensions 3D Tomo Digital Mammography																																	Nov 30-Dec 11	Hologic MG Products: Affirm, SecurView, R2, ATEC Sapphire																																	Nov 30-Dec 11	Siemens Inspiration or Novation																																	Nov 30-Dec 11	Multi-Vendor Bone Densitometry																																	Nov 30-Dec 11																																																																																																																																																																										
ULTRASOUND	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
CT	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
MRI	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
NUCLEAR MEDICINE	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
CRES CERTIFICATION	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
THANKSGIVING	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
CHRISTMAS	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
NEW YEARS	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
MEMORIAL DAY	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
INDEPENDENCE DAY	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9
LABOR DAY	Principles of Servicing US Systems (2.5 days)																																	Oct 5-9	Philips Epiq 5 & Epiq 7 (2.5 days)																																	Oct 5-9	Philips IU22/EI33 (2.5 days)																																	Oct 5-9	GE Logiq E9, Vivid E9 (2.5 days)																																	Oct 5-9	Principles of Servicing Computed Tomography Systems (Phase 1)																																	Oct 5-9	Advanced Computed Tomography System Maintenance (Phase 2)																																	Oct 5-9	GE Brightspeed & LightSpeed CT																																	Oct 5-9	GE VCT																																	Oct 5-9	Philips Brilliance Family																																	Oct 5-9	Siemens Sensation Family																																	Oct 5-9	Siemens Definition Family																																	Oct 5-9	MRI Phase 1 (Introduction to Servicing MRI)																																	Oct 5-9	MRI Phase 2 (Advanced MRI Principles)																																	Oct 5-9	Siemens Tims MRI Family (Symphony, Tims, Espree, Avantis, & Verio)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9	GE Excite & GE45 MRI Family (X)																																	Oct 5-9

NOTE: Hologic Dimensions & GE Precision 500D are 5 full days. Bucky Diagnost is 4 full days. Return flights after 6 pm.

*April 6th classes start on Tuesday
